MANAGEMENT DISCUSSION AND ANALYSIS

ABOUT THE GROUP

The Group is principally engaged in two business segments, namely (i) the Mining Business; and (ii) the Other Business.

BUSINESS REVIEW

Mining Business

The Mining Business primarily comprises of exploration, development and exploitation of a nickel-copper mine in the PRC. For the nine months ended 31 December 2021, the Group sold high grade nickel-copper ores as its major products under the Mining Business.

The Group recorded an increase in gross profit for the nine months ended 31 December 2021 due to the rising trend of nickel market price and the increase in average grading of high grade nickel-copper ores which lowered the processing cost. As the mineral resources of phase one of the Baishiquan Nickel-copper Mine was exhausted and all the remaining inventory had been sold in August 2021, there was no revenue from the Mining Business subsequently. The Group continued with the preparation work for the renewal of the mining license which will be expired in September 2022. For the phase two mining zone of the Baishiquan Nickel-copper Mine, we have engaged qualified professionals to prepare the supplementary detailed report with exploration work began in October 2021. For the nine months ended 31 December 2021, we have incurred approximately HK\$1.6 million (nine months ended 31 December 2020: nil) for drilling 8 surface holes of approximately 2,342 meters. In addition, the Group also paid mining royalties of approximately HK\$12.3 million for the Baishiquan Nickel-copper Mine.

For the nine months ended 31 December 2021, turnover from the sales of high-grade nickel-copper ores amounted to approximately HK\$80.6 million (nine months ended 31 December 2020: HK\$59.1 million), representing the sales of 18,046 tonnes (nine months ended 31 December 2020: 18,736 tonnes) of high-grade nickel-copper ores. For the nine months ended 31 December 2020, the Group also sold 10,661 tonnes and 806 tonnes of nickel concentrates and copper concentrates, generating revenue of approximately HK\$49.4 million and HK\$9.7 million, respectively.

In consideration of the nature and future use, obsolete items of inventories with an aggregate carrying amount of HK\$1.8 million were written off for the nine months ended 31 December 2021.

Other Business

Other Business comprised of research, development and sale agency of bio and nano materials products as well as investments in startup fund, software maintenance and development services. For the nine months ended 31 December 2021, there was segment revenue of approximately HK\$0.4 million (nine months ended 31 December 2020: HK\$0.3 million) from Other Business and the segment profit was approximately HK\$0.2 million (nine months ended 31 December 2020: HK\$0.6 million). The segment profit was mainly contributed by the service fee income of HK\$0.2 million from the provision of sales agency services for bio and nano materials products.

Interest in Associates

On 18 October 2021, an independent third party (“**the Subscriber**”) subscribed for 12,470 shares of CGA Holdings Limited (“**CGA Holdings**”) with the subscription price payable in cash to provide funding for the proposed listing of CGA Holdings on an overseas stock exchange (the “**Subscription**”). Immediately after the Subscription, the issued shares of CGA Holdings increased from 12,980 shares to 25,450 shares, among which 12,470 shares are owned by the Subscriber, 9,090 shares are owned by Bloom Explorer, and 3,890 shares are owned by the Group, representing approximately 49.00%, 35.72% and 15.28% of the issued shares of CGA Holdings respectively. Accordingly, CGA Holdings ceased to be an associate of the Group and was accounted for as financial assets at fair value through profit or loss. The Group recorded a gain on partial disposal of an associate of approximately HK\$7.3 million upon completion of the Subscription. In the event that the listing shall be unsuccessful for any reason whatsoever by 18 April 2023, the Subscriber shall transfer all its shareholding in CGA Holdings to Bloom Explorer and the Group at a consideration of HK\$1 so as CGA Holdings shall be owned as to approximately 70.03% by Bloom Explorer and as to approximately 29.97% by the Group. Further details of the Subscription are set out in the Company’s announcement dated 18 October 2021.

Pursuant to the subscription agreement dated 16 May 2018, the three founders of CGA Holdings (the “**CGA Guarantors**”) guaranteed to the Group that the net profit after tax of CGA Group as shown in the audited consolidated financial statements of CGA Holdings for the years ended 31 March 2020 and 31 March 2021 shall not be in aggregate less than HK\$32,000,000 (the “**Guaranteed Profit**”). As the Guaranteed Profit are not fulfilled, the CGA Guarantors are required to pay to the Group a compensation of HK\$9,142,400 (“**Profit Guarantee Compensation**”). On 30 June 2021, the Group and the CGA Guarantors entered into a deed of settlement (“**Deed of Settlement**”) in relation to the Profit Guarantee Compensation. The CGA Guarantors jointly and severally undertake to pay to the Group (a) HK\$1,000,000 upon the execution of the Deed of Settlement; (b) HK\$8,142,400 on or before 30 June 2023 or such earlier date as may be requested by the Group; and (c) a further sum accruing at the rate of 5% per annum on the outstanding amount payable by the CGA Guarantors under (b) above, calculated on the actual number of days elapsed from the date of the Deed of Settlement and up to the date of payment of such outstanding amount on the basis of a 365 day year, on the date of payment of such outstanding amount. As security for

the due and punctual performance of the obligations of the CGA Guarantors under the Deed of Settlement, Bloom Explorer Limited (“**Bloom Explorer**”) which is wholly owned by the CGA Guarantors executed in favour of the Group a share charge in respect of 9,090 shares of CGA Holdings owned by it.

The hydroponic machine is used for aquaculture and agriculture to enrich oxygen level in fish and vegetable cultivation media. For the nine months ended 31 December 2021, the Group recorded share of profit of associates of approximately HK\$0.4 million (nine months ended 31 December 2020: HK\$1.3 million) which mainly derived from cash rebate of HK\$0.6 million and HK\$0.9 million received by Nano Bubble Limited and Nano Energy Limited, respectively from the Innovation and Technology Commission. Share of profit of associates in the prior period mainly derived from the CGA Group’s profit arising from its disposal gain of subsidiaries related to the e-sports stadium.

Outlook

In view of the rapidly worsening global epidemic situation due to the Omicron variant, 2022 continued to be year of challenge.

For the Mining Business, strong demand from both the stainless steel and battery market drove nickel price up and kept it at high level during this quarter. We are optimistic about the long-term outlook for nickel. Anticipated deficits in nickel supply and energy transition drove us to speed up the pace of the development of phase two zone of the Baishiquan Nickel-copper Mine. Our primary goal in the coming year is to complete and obtain the related government approval on our reserve report and the detailed exploration report. The Group will commence the feasibility study after the approval of the regulatory authority is obtained.

As there will be no revenue from the sale of nickel-copper products in the coming year, the Group scheduled to have metals trading in order to build a more durable source of revenue. In addition, we will further strengthen our existing business by allocating more resources to promote the sale agency and biodegradable material project as well as diversify our investment to acquire more potential projects so as to maintain a healthy financial position and financial performance.

Other Investments

The Group owned 600,000 ordinary shares of Dragon Silver, representing approximately 8.86% of its issued share capital, at an investment cost of HK\$7,800,000. Dragon Silver is a company incorporated in Hong Kong principally engaged in trading, production, processing and investment in precious metals and nonferrous metals and related products.

Pursuant to the subscription agreement dated 29 December 2017 (as amended and supplemented by the supplemental agreement dated 24 April 2020), the founder of Dragon Silver (the “**DS Guarantor**”) irrevocably guaranteed to the Group that the amount of dividends declared and paid by Dragon Silver for each of the financial years ending from 30 June 2018 to 2022 (the “**DS Relevant Years**”) shall not be less than HK\$1.25 per share (“**DS Guaranteed Dividends**”). If the actual dividend paid by Dragon Silver for the DS Relevant Year is less than the DS Guaranteed Dividends, the DS Guarantor shall compensate the Group for the shortfall (“**DS Dividend Compensation Amount**”).

The DS Guarantor also irrevocably guaranteed to the Group that the profit for each of the DS Relevant Years shall not be less than HK\$15,000,000 (“**DS Profit Guarantee**”). The Group and the DS Guarantor entered into a supplemental agreement on 24 April 2020 to waive the DS Profit Guarantee for the two financial years ending 30 June 2020 and 2021 and the DS Guarantor agreed to extend the DS Profit Guarantee for three additional financial years ending 30 June 2023, 2024 and 2025.

As at 30 September 2021, being the dividend payment deadline for the financial year ended 30 June 2021 (“**FY2021**”) of Dragon Silver, Dragon Silver has not declared and paid any dividend to the Group. On 8 October 2021, the DS Guarantor paid to the Group the DS Dividend Compensation Amount for FY2021 of HK\$750,000. As such, the Board (including the independent non-executive Directors) considered that the obligation of the DS Guarantor in respect of the DS Guaranteed Dividend for FY2021 has been fulfilled.

Pursuant to the put option deed dated 29 December 2017, the DS Guarantor has granted to the Group the put option to sell all the 600,000 shares to him at the consideration of HK\$7,800,000 within the period from 29 December 2021 to 28 December 2022.
