trading days immediately prior to and including the Last Trading Day; (iv) a discount of approximately 45.36% to the average closing price of approximately HK\$0.183 per Share for the last 10 consecutive trading days immediately prior to and including the Last Trading Day; (v) a discount of approximately 40.83% to the net asset value per Share of HK\$0.169 based on the audited net asset value as at 31 March 2015 and 1,989,901,503 Shares in issue as at the date of this announcement; and (vi) a discount of approximately 43.50% to the net asset value per Share of HK\$0.177 based on the unaudited net asset value as at 30 September 2015 and 1,989,901,503 Shares in issue as at the date of this announcement.

Assuming (i) no further issue of new Shares or repurchase of Shares; and (ii) 23,500,000 outstanding Options (which do not include the 3,000,000 outstanding Options held by Mr. Zhang) being exercised and the 23,500,000 Option Shares being allotted and issued on or before the Record Date, a maximum of 402,680,300 Offer Shares will be allotted and issued which represents approximately 20.24% of the Company's issued share capital as at the date of this announcement and approximately 16.67% of the Company's issued share capital of 2,416,081,803 Shares as enlarged by the allotment and issue of the 23,500,000 Option Shares and the 402,680,300 Offer Shares (being the maximum number of the Offer Shares to be allotted and issued under the Open Offer) immediately after completion of the Open Offer.

The gross proceeds from the Open Offer will be not less than approximately HK\$39.8 million and not more than approximately HK\$40.3 million. The Company will arrange odd lot matching services in order to facilitate the trading of odd lots (if any).

(3) GENERAL

As the Open Offer will not increase the issued share capital or market capitalisation of the Company by more than 50% within the twelve-month period immediately preceding this announcement and the Company has made arrangement for application of the Offer Shares by the Qualifying Shareholders in excess of their respective entitlement under the Open Offer as referred to in Rule 10.42(1) of the GEM Listing Rules, the Open Offer is therefore not subject to Shareholders' approval requirement under the GEM Listing Rules.

The Prospectus Documents setting out details of the Open Offer will be despatched to the Qualifying Shareholders, and the Overseas Letter together with the Prospectus will be despatched to the Prohibited Shareholders for their information only on Tuesday, 15 December 2015.

(4) WARNING OF THE RISK OF DEALINGS IN THE SHARES

Shareholders and potential investors should note that the Open Offer is conditional upon the Underwriting Agreement having become unconditional and the Underwriters not having terminated the Underwriting Agreement in accordance with the terms thereof. Accordingly, the Open Offer may or may not proceed.

The Shares will be dealt in on an ex-entitlement basis commencing from Tuesday, 8 December 2015 and that dealing in Shares will take place while the conditions to which the Underwriting Agreement is subject remain unfulfilled.

Shareholders and potential investors should exercise extreme caution when dealing in the Shares, and if they are in any doubt about their position, they should consult their professional advisers.

After deducting all relevant expenses relating to the Open Offer, the net price per Offer Share will be approximately HK\$0.097.

Rights of Overseas Shareholders

The Prospectus Documents are not intended to be registered under the applicable securities legislation of any jurisdiction other than Hong Kong.

In compliance with the necessary requirements of the GEM Listing Rules, the Company will make enquiries regarding the feasibility of extending the Open Offer to the Overseas Shareholders. If, based on legal opinions, the Directors consider that it is necessary or expedient not to offer the Offer Shares to the Overseas Shareholders on account either of the legal restrictions under the laws of the relevant place or the requirements of the relevant regulatory body or stock exchange in that place, the Open Offer will not be available to such Overseas Shareholders. Accordingly, the Open Offer will not be extended to the Prohibited Shareholders.

Further information in this connection will be set out in the Prospectus Documents containing, among other things, details of the Open Offer, to be despatched to the Qualifying Shareholders on Tuesday, 15 December 2015. The Company will send copies of the Prospectus to the Prohibited Shareholders for their information only, but no Application Form and EAF will be sent to them.

Ranking of the Offer Shares

The Offer Shares, when allotted, issued and fully paid, will rank pari passu in all respects with the Shares then in issue. Holders of fully-paid Offer Shares will be entitled to receive all future dividends and distributions which are declared, made or paid after the date of allotment of the Offer Shares in their fully-paid form.

Share certificates and refund cheques for the Open Offer

Subject to the fulfilment of the conditions of the Open Offer, certificates for all fully-paid Offer Shares are expected to be posted to those entitled thereto by ordinary post at their own risk on or before Friday, 8 January 2016. If the Open Offer is terminated, refund cheques will be despatched on or before Friday, 8 January 2016 by ordinary post at the respective Shareholders' own risk.

Application for excess Offer Shares

Qualifying Shareholders may apply, by way of excess application, for any unsold entitlements of the Prohibited Shareholders and for any assured allotment of the Offer Shares not accepted by the Qualifying Shareholders. Applications for excess Offer Shares can only be made by completing the EAFs for application for excess Offer Shares and lodging the same with a separate remittance for the excess Offer Shares being applied for with the Registrar by no later than the Latest Time for Acceptance.

The Directors will allocate the excess Offer Shares at their discretion on a fair and equitable basis and on a pro-rata basis to the excess Offer Shares applied for by the Qualifying Shareholders, except that preference will be given to applications for less than a board lot of Offer Shares where it appears to the Directors that such applications are made to round up odd-lot holdings to whole-lot holdings and that such applications are not made with intention to abuse the mechanism.

Investors with their Shares held by a nominee company should note that the Board will regard the nominee company as a single Shareholder according to the register of members of the Company. Accordingly, the Shareholders should note that the aforesaid arrangement in relation to the allocation of the excess Offer Shares will not be extended to beneficial owners individually. Investors with their Shares held by a nominee company are advised to consider whether they would like to arrange for the registration of the relevant Shares in the name of the beneficial owner(s) prior to the Record Date.

Investors whose Shares are held by their nominee(s) and who would like to have their names registered on the register of members of the Company, must lodge all necessary documents with the Registrar for completion of the relevant registration by 4:30 p.m. on Wednesday, 9 December 2015.

Fractions of the Offer Shares

Fractions of the Offer Shares will not be allotted to the Qualifying Shareholders and fractional entitlements will be rounded down to the nearest whole number of Offer Shares. Any Offer Shares created from the aggregation of fractions of the Offer Shares will be available for excess application by the Qualifying Shareholders. Should there be no excess application by the Qualifying Shareholders, those Offer Shares created from the aggregation of fractions of the Offer Shares will be taken up by the Underwriters.

Application for the Offer Shares

The Application Form in respect of the entitlement of the Offer Shares will be enclosed with the Prospectus entitling the Qualifying Shareholders to whom it is addressed to subscribe for the Offer Shares as shown therein by completing such form and lodging the same with a remittance for the Offer Shares being taken up with the Registrar by the Latest Time for Acceptance.

Reasons for the Open Offer and use of proceeds

The Group is principally engaged in two business lines, namely (i) the provision of computer consultancy and software maintenance services, software development, sales of computer hardware and software and e-Commerce services; and (ii) the exploration and exploitation of mines.

The gross proceeds from the Open Offer will not be less than approximately HK\$39.8 million and not more than approximately HK\$40.3 million. The net proceeds from the Open Offer after deducting all relevant expenses are estimated to be not less than approximately HK\$38.8 million but not more than approximately HK\$39.2 million.

The Company intends to apply the proceeds from the Open Offer for (i) repayment of the promissory note held by Starmax and accrued interest of approximately HK\$10.9 million; (ii) repayment of amount due by the Group to Starmax of approximately HK\$5.3 million; and (iii) general working capital of the Group.

The Board also considers that the Open Offer represents an opportunity for the Group to broaden its shareholder and capital base thereby increasing the liquidity of the Shares, and will give the Qualifying Shareholders the opportunity to maintain their shareholding interests in the Company.

The Directors are of the view that fund raising through the Open Offer is in the interests of the Company and the Shareholders as a whole. Further, the Directors (including the independent non-executive Directors) consider the terms of the Open

Offer, including the Subscription Price, to be fair and reasonable and in the interests of the Company and the Shareholders as a whole.

Those Qualifying Shareholders who do not take up the Offer Shares to which they are entitled should note that their shareholdings in the Company will be diluted.

CHANGE IN BOARD LOT SIZE

The Board announces that the board lot size of the Shares for trading on the Stock Exchange will be changed from 2,000 Shares to 20,000 Shares with effect from 9:00 a.m. on Monday, 11 January 2016.

The change in board lot size will not result in any change in the relative rights of the Shareholders. The Board is of the opinion that the change in board lot size is in the interests of the Company and its Shareholders as a whole.

Based on the theoretical ex-rights price of approximately HK\$0.154 per Share (calculated based on the closing price of HK\$0.165 per Share as quoted on the Stock Exchange on the Last Trading Day), the market value of each existing board lot is HK\$308 and the estimated market value of each proposed new board lot is HK\$3,080.

To alleviate the difficulties in trading odd lots of the Shares arising from the change in board lot size of the Shares, the Company has appointed Pacific Foundation as an agent to provide matching services to the Shareholders who wish to top up or sell their holdings of odd lots of the Shares during the period from 9:00 a.m. on Monday, 11 January 2016 to 4:00 p.m. on Friday, 29 January 2016 (both dates inclusive). Holders of the Shares in odd lots represented by the existing share certificates for the Shares who wish to take advantage of this facility either to dispose of their odd lots of the Shares or to top up their odd lots to a full new board lot may directly or through their broker contact Mr. Sam Ng of Pacific Foundation at 11/F New World Tower II, 16-18 Queen's Road Central, Hong Kong (telephone: (852) 2879 8324 and facsimile: (852) 2877 2088) during such period. Holders of the Shares in odd lots should note that successful matching of the sale and purchase of odd lots of the Shares is not guaranteed. The Shareholders are recommended to consult their professional advisers if they are in doubt about the above facility.

GENERAL

As the Open Offer will not increase the issued share capital or market capitalisation of the Company by more than 50% within the twelve-month period immediately preceding this announcement and the Company has made arrangement for application

of the Offer Shares by the Qualifying Shareholders in excess of their respective entitlement under the Open Offer as referred to in Rule 10.42(1) of the GEM Listing Rules, the Open Offer is therefore not subject to Shareholders' approval requirement under the GEM Listing Rules.

The Prospectus Documents setting out details of the Open Offer will be despatched to the Qualifying Shareholders, and the Overseas Letter together with the Prospectus will be despatched to the Prohibited Shareholders for their information only on Tuesday, 15 December 2015.
