CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE

GEM has been established as a market designated to accommodate companies to which a high investment risk may be attached. In particular, companies may list on GEM with neither a track record of profitability nor any obligation to forecast future profitability. Furthermore, there may be risks arising out of the emerging nature of companies listed on GEM and the business sectors or countries in which the companies operate. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

The principal means of information dissemination on GEM is publication on the internet website operated by the Stock Exchange. Listed companies are not generally required to issue paid announcements in gazetted newspapers. Accordingly, prospective investors should note that they need to have access to the GEM website in order to obtain up-to-date information on GEM-listed issuers.

2 August 2007

To the Shareholders of the Company,

Dear Sir/Madam,

**PROPOSED REFRESHMENT OF SCHEME MANDATE LIMIT,
RE-ELECTION OF DIRECTORS,
GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

At the Annual General Meeting which will be held on 30 August 2007, the following resolutions will be proposed:

- (a) to refresh the Scheme Mandate Limit in order to permit the grant of further Options under the Share Option Scheme;
- (b) to re-elect Directors who shall retire in accordance with the Articles and (being eligible) offer themselves for re-election; and
- (c) to grant the Repurchase Mandate and the Share Issue Mandate.

LETTER FROM THE BOARD

This circular sets out the information reasonably necessary to enable the Shareholders to make an informed decision on whether to vote for or against the relevant resolutions in respect of the matters described above.

2. REFRESHMENT OF SCHEME MANDATE LIMIT UNDER THE SHARE OPTION SCHEME

The Share Option Scheme was adopted and the Terminated Scheme was terminated pursuant to an ordinary resolution passed by Shareholders in general meeting on 28 April 2003.

Under the rules of the Share Option Scheme:

- (a) the maximum number of Shares in respect of which options may be granted under the Share Option Scheme and any other share option schemes (excluding those options that have already been granted by the Company prior to the date of approval of the Share Option Scheme) shall not, in aggregate, exceed the Scheme Mandate Limit; and
- (b) the maximum number of Shares which may be issued upon the exercise of all outstanding options granted and not yet exercised under the Share Option Scheme and any other share option schemes must not, in any event and in aggregate, exceed 30 per cent. of the Shares in issue from time to time.

The Company may seek approval from the Shareholders in general meeting for refreshing the Scheme Mandate Limit so that the total number of Shares which may be issued upon the exercise of options granted under the Share Option Scheme and any other share option schemes shall be re-set at 10 per cent. of the Shares in issue as at the date of the approval of such refreshment. In this connection, options previously granted under the Share Option Scheme (including those exercised, outstanding, cancelled or lapsed in accordance with the terms of the Share Option Scheme and any other share option schemes of the Company) will not be counted for the purpose of determining whether the refreshed Scheme Mandate Limit has been exceeded.

Apart from the Share Option Scheme and the Terminated Scheme, the Company currently has no other share option scheme. The first Scheme Mandate Limit of 94,885,550 Shares (the “**First Scheme Mandate Limit**”) (being 10 per cent. of the Shares in issue as at the date of adoption of the Share Option Scheme) was refreshed by the Shareholders on 29 December 2003 to 98,706,150 Shares (the “**Second Scheme Mandate Limit**”) (being 10 per cent. of the Shares in issue as at the date of shareholders’ approval of such refreshment). The Second Scheme Mandate Limit was refreshed by the Shareholders on 5 August 2004 to 99,118,550 Shares (the “**Third Scheme Mandate Limit**”) (being 10 per cent. of the Shares in issue as at the date of shareholders’ approval of such refreshment). The Third Scheme Mandate Limit was refreshed by the Shareholders on 30 August 2006 to 103,578,150 Shares (the “**Current Scheme Mandate Limit**”) (being 10 per cent. of the Shares in issue as at the date of shareholders’ approval of such refreshment).

Options previously granted under the Share Option Scheme (including all those Options which are outstanding or cancelled, or have lapsed, in accordance with the Share Option Scheme, or Options which have been exercised) have not been and will not be counted for the purpose of calculating the Scheme Mandate Limited.

LETTER FROM THE BOARD

As at the Latest Practicable Date, there were no options outstanding and unexercised under the Terminated Scheme.

A total of 94,700,000 Options were granted to Directors and employees of the Group under the First Scheme Mandate Limit on 5 September 2003, 15 September 2003, 26 November 2003 and 8 December 2003 respectively, out of which 25,500,000 Options have lapsed in accordance with the terms of the Share Option Scheme and 2,340,000 Options have been exercised as at the Latest Practicable Date. Out of these 94,700,000 Options, there remain therefore a total of 66,860,000 outstanding and unexercised Options (representing approximately 5.99 per cent. of the issued capital of the Company as at the Latest Practicable Date) that were granted under the First Scheme Mandate Limit.

As at the Latest Practicable Date, a total of 84,450,000 Options were granted to Directors and employees of the Group under the Second Scheme Mandate Limit on 9 January 2004, 25 February 2004 and 19 April 2004 respectively, out of which 22,814,000 Options have lapsed in accordance with the terms of the Share Option Scheme, 5,250,000 Options have been exercised, and 56,386,000 Options (representing approximately 5.05 per cent. of the issued capital of the Company as at the Latest Practicable Date) remain outstanding and unexercised.

A total of 112,100,000 Options were granted to Directors and employees of the Group under the Third Scheme Mandate Limit on 16 September 2004, 30 September 2004, 13 December 2004, 28 February 2005, 11 May 2005, 22 September 2005 and 24 March 2006 respectively, out of which 15,200,000 Options have lapsed in accordance with the terms of the Share Option Scheme and 66,520,000 Options have been exercised as at the Latest Practicable Date. Out of these 112,100,000 Options, there remain therefore a total of 30,380,000 outstanding and unexercised Options (representing approximately 2.72 per cent. of the issued capital of the Company as at the Latest Practicable Date) that were granted under the Third Scheme Mandate Limit.

A total of 87,600,000 Options were granted to Directors and employees of the Group under the Current Scheme Mandate Limit on 26 September 2006 and 18 June 2007 respectively, out of which 500,000 Options have lapsed in accordance with the terms of the Share Option Scheme and 56,400,000 Options have been exercised as at the Latest Practicable Date. Out of these 87,600,000 Options, there remain therefore a total of 30,700,000 outstanding and unexercised Options (representing approximately 2.75 per cent. of the issued capital of the Company as at the Latest Practicable Date) that were granted under the Current Scheme Mandate Limit. Accordingly, approximately 84.09 per cent. of the Current Scheme Mandate Limit has been utilized.

As at the Latest Practicable Date, there remain therefore a combined total of 184,326,000 outstanding and unexercised Options (representing approximately 16.51 per cent. of the issued capital of the Company as at the Latest Practicable Date) that were granted under the Share Option Scheme.

The Current Scheme Mandate Limit has substantially been utilized. Unless the Scheme Mandate Limit is refreshed, a maximum of 16,478,150 Options only entitling the holder(s) thereof to subscribe for an aggregate of 16,478,150 Shares, may be further granted under the Share Option Scheme.

LETTER FROM THE BOARD

The purpose of the Share Option Scheme is to recognise and acknowledge the contributions that Eligible Participants had made or may make to the Group. To allow greater flexibility for the Directors to achieve this, it is proposed that the Current Scheme Mandate Limit be refreshed. If the Current Scheme Mandate Limit is refreshed, on the basis of 1,116,231,503 Shares in issue as at the Latest Practicable Date and assuming that no Shares will be issued or repurchased by the Company prior to the Annual General Meeting, the Company will be allowed to grant further options under the Share Option Scheme of the Company carrying the rights to subscribe for a maximum of 111,623,150 Shares.

The aggregate number of Shares that could be issued pursuant to the full exercise of 184,326,000 outstanding Options granted under the Share Option Scheme representing approximately 16.51 per cent. of the Company's issued share capital as at the Latest Practicable Date. The Company will comply with Note 2 of Rule 23.03(3) of the GEM Listing Rules when granting further Options.

The Directors consider that it will be for the benefit of the Group and the Shareholders as a whole that the Eligible Participants are granted rights to obtain equity holdings of the Company through the grant of Options. This will motivate the Eligible Participants to contribute to the success of the Group. For these reasons, the Directors propose the passing of an ordinary resolution at the Annual General Meeting for refreshing the Scheme Mandate Limit.

The proposed refreshment of the Current Scheme Mandate Limit will be conditional upon:

- (a) the passing of an ordinary resolution by the Shareholders to approve the refreshment of the Current Scheme Mandate Limit at the Annual General Meeting; and
- (b) the Listing Committee of the Stock Exchange granting the listing of, and the permission to deal in, such number of Shares, representing 10 per cent. of the Shares in issue as at the date of the Annual General Meeting, which may fall to be allotted and issued pursuant to the exercise of options granted under the refreshed Current Scheme Mandate Limit.

Application will be made to the Stock Exchange for granting the listing of, and the permission to deal in, the Shares to be issued pursuant to the exercise of the Options to be granted under the Share Option Scheme within the refreshed Current Scheme Mandate Limit.

3. RE-ELECTION OF DIRECTORS

The Board currently consists of 10 members, namely the following executive Directors:

- (a) Mr. CHENG, Kin Kwan (*Chairman*)
- (b) Mr. CHUNG, Yiu Fai

LETTER FROM THE BOARD

- (c) Mr. LAW, Kwai Lam
- (d) Ms. LEUNG, Mei Sheung Eliza
- (e) Ms. ZHENG, Ying Yu
- (f) Mr. FUNG, Chun Pong Louis
- (g) Mr. LIAO, Yun

and the following independent non-executive Directors:

Biographies of the Retiring Directors are set out in Appendix II to this circular. At the Annual General Meeting, ordinary resolutions will be proposed to approve their re-election.

4. EXPLANATORY MEMORANDUM FOR THE GENERAL MANDATE TO REPURCHASE SHARES

To provide flexibility to the Directors, an ordinary resolution will be proposed at the Annual General Meeting that the Directors be given the Repurchase Mandate to exercise all powers of the Company to purchase issued Shares of the Company subject to the limitation set out in Resolution 5(ii)(c). In particular, the Shareholders should note that the maximum number of Shares that may be repurchased pursuant to the Repurchase Mandate will be such number of Shares as represents 10 per cent. of the issued share capital of the Company as at the date of the relevant resolution. As at the Latest Practicable Date, the number of Shares in issue were 1,116,231,503 Shares. On the basis of such figures (and assuming no new Shares will be issued and no Shares will be repurchased after the Latest Practicable Date and up to the date of passing such resolution), the Directors would be authorised to repurchase Shares of up to a limit of 111,623,150 Shares.

In addition, the Shareholders should note that the Repurchase Mandate will continue in force until the conclusion of the next annual general meeting of the Company or an earlier date as referred to in paragraph (c) of the Resolution set out in Item 5(i) of the Notice of the Annual General Meeting.

LETTER FROM THE BOARD

An ordinary resolution will also be proposed at the Annual General Meeting to authorise the extension of the general mandate to issue new Shares by adding to the mandate the number of Shares to be repurchased by the Company under the Repurchase Mandate in the terms set out in ordinary resolution no. 5(iii) of the Notice of Annual General Meeting.

An explanatory statement as required under Rule 13.08 of the GEM Listing Rules to provide the requisite information of the Repurchase Mandate is set out in the Appendix hereto.

APPENDIX I REPURCHASE MANDATE EXPLANATORY STATEMENT

This appendix serves as an explanatory statement, as required by Rule 13.08 of the GEM Listing Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10 per cent. of the issued share capital of the Company as at the date of approval for the Repurchase Mandate.

MAXIMUM NUMBER OF SHARES TO BE REPURCHASED

A maximum of 10 per cent. of the aggregate nominal amount of the issued share capital at the date of the proposed resolutions may be repurchased on the Stock Exchange. As at 25 July 2007, the Latest Practicable Date for determining such figure, the number of Shares in issue were 1,116,231,503 Shares. On the basis of such figures (and assuming no new Shares will be issued and no Shares will be repurchased after the Latest Practicable Date, and up to the date of passing such resolution), the Directors would be authorised to repurchase Shares up to a limit of 111,623,150 Shares.

REASONS FOR THE REPURCHASE MANDATE

The Directors have no present intention to repurchase any Shares. It is not possible to anticipate in advance those circumstances in which the Directors might consider it appropriate to repurchase Shares, but Shares would only be purchased in circumstances where the Directors consider that the purchase would be in the best interests of the Company and the Shareholders. Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of net assets and/or earnings per Share.

SOURCE OF FUNDS

It is expected that the funds required for repurchases of Shares under the Repurchase Mandate would be derived from the capital paid up on the Shares being repurchased (if applicable) and from the distributable profits of the Company, which will be funds legally available for the purchase under Hong Kong law and in accordance with the Memorandum of Association and the Articles.

MATERIAL ADVERSE IMPACT

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements) in the event that authorised repurchases of Shares is carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the general mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates (as defined under the GEM Listing Rules) has any present intention, in the event that the repurchase mandate is granted by shareholders, to sell Shares to the Company.

APPENDIX I REPURCHASE MANDATE EXPLANATORY STATEMENT

No connected person of the Company (as defined in the GEM Listing Rules) has notified the Company that any such person has a present intention to sell any Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

EFFECT OF TAKEOVER CODE

The Directors are not aware of any consequences which will arise under the Takeover Code as a result of any purchases made under the Repurchase Mandate.

In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Ordinary Resolution (5)(i), then (based on the present shareholdings as at the Latest Practicable Date) the shareholdings of Mr. Cheng Kin Kwan, Educational Information Technology (H.K.) Company Ltd. and Crimson Asia Capital Limited, L.P. would be increased from approximately 19.30 per cent., 9.68 per cent. and 9.42 per cent. to approximately 21.44 per cent., 10.76 per cent. and 10.47 per cent. respectively. In the opinion of the Directors, such increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeover Code. However, the Directors have no present intention to exercise the repurchase of Shares to an extent that would result in such takeover obligations.
