CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET (“GEM”) OF THE STOCK EXCHANGE

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

APPENDIX I REPURCHASE MANDATE EXPLANATORY STATEMENT

This appendix serves as an explanatory statement, as required by Rule 13.08 of the GEM Listing Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10 per cent. of the issued share capital of the Company as at the date of approval for the Repurchase Mandate.

MAXIMUM NUMBER OF SHARES TO BE REPURCHASED

A maximum of 10 per cent. of the aggregate nominal amount of the issued share capital at the date of the proposed resolutions may be repurchased on the Stock Exchange. As at 24 August 2011, the Latest Practicable Date for determining such figure, the number of Shares in issue were 1,134,811,503 Shares. On the basis of such figures (and assuming no new Shares will be issued and no Shares will be repurchased after the Latest Practicable Date, and up to the date of passing such resolutions), the Directors would be authorised to repurchase Shares up to a limit of 113,481,150 Shares, representing 10 per cent. of the Company's issued share capital.

REASONS FOR THE REPURCHASE MANDATE

The Directors have no present intention to repurchase any Shares. It is not possible to anticipate in advance those circumstances in which the Directors might consider it appropriate to repurchase Shares, but Shares would only be purchased in circumstances where the Directors consider that the purchase would be in the best interests of the Company and its shareholders. Such purchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of net assets and/or earnings per Share.

SOURCE OF FUNDS

It is expected that the funds required for repurchases of Shares under the Repurchase Mandate would be derived from the capital paid up on the Shares being repurchased (if applicable) and from the distributable profits of the Company, which will be funds legally available for the purchase under Hong Kong law and in accordance with the Memorandum of Association and the Articles.

MATERIAL ADVERSE IMPACT

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited financial statements) in the event that authorised repurchases of Shares is carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the general mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS

None of the Directors nor, to the best of their knowledge and belief having made all reasonable enquiries, any of their associates (as defined under the GEM Listing Rules) has any present intention, in the event that the Repurchase Mandate is granted by shareholders, to sell Shares to the Company.

APPENDIX I REPURCHASE MANDATE EXPLANATORY STATEMENT

No connected person of the Company as defined in the GEM Listing Rules has notified the Company that any such person has a present intention to sell any Shares to the Company nor has he/she undertaken not to sell any of the Shares held by him/her to the Company in the event that the Company is authorised to make purchases of Shares.

EFFECT OF TAKEOVER CODE

The Directors are not aware of any consequences which will arise under the Takeover Code as a result of any purchases made under the Repurchase Mandate.

In the event that the Directors exercise in full the power to repurchase Shares which is proposed to be granted pursuant to the Ordinary Resolution (4)(i), then (based on the present shareholdings as at the Latest Practicable Date) the shareholdings of Mr. Cheng Kin Kwan and Educational Information Technology (H.K.) Company Ltd. would be increased from approximately 19.51 per cent. and 9.52 per cent. to approximately 21.68 per cent., and 10.58 per cent. respectively. In the opinion of the Directors, such increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeover Code. However, the Directors have no present intention to exercise the repurchase of Shares to an extent that would result in such takeover obligations.

SHARE PRICES

During each of the 12 months preceding the Latest Practicable Date, the highest and lowest traded prices per Share on the Stock Exchange were as follows:-
